## Other information

The course has been designed with the needs of practicing teachers, lecturers and academics in mind. The Department of Foreign Languages staff have a range of qualifications and experience in a number of areas of teaching English. The programme has been created in accordance with EU standards. The main aim of the course is to provide training to professionals who are in constant search of improving their language proficiency and want to develop high quality materials and courses for their students.

The aims of the programme are:

- To update skills and knowledge in English language teaching, including specialised language
- To improve teacher language skills both British and American English
- To enrich academic English skills
- To enhance skills covering communication, mediation and autonomous learning
- To learn about online teaching
- To build a network of teachers to continue development after having returned home.

The content of the programme falls into different categories:

- Workshops relating to specialised language
- Methodology of teaching foreign students
- Teaching Academic English
- Receptive skills

Workshops and lectures will be led by native speakers of English, PhDs and ESP/ESL specialists who are long time employees at the Department of Foreign Languages of Wrocław University of Science and Technology.

**Certification:** All participants will receive a Department of Foreign Languages Certificate of Attendance on successful completion of the programme.

**Invitation Letter for Visa Purposes:**

Invitation letters for visa purposes will be issued on request.

**Erasmus Teacher Training Programme:**

Enrollment possible through Erasmus Teacher Training Programme.

**Accommodation:**

Accommodation is available on request for additional fees.
